File: Fall to Spring Retention Rates by FTIC Cohort Award Level and Student Typology - 082322.xlsx

Sources: VCCS master student files/AREC for all FTIC students, VCCS graduates file, & NSC Student Tracker Premium files for the fall cohort years 2017 through 2020.

Notes: Fall 2021 data on fall-to-fall retention are not yet available. Success includes enrollment in following fall, completion during the cohort year, or transfer during the cohort year time frame.

Students who were retained are counted in the retained column, even if they transfer and/or earned an award during the cohort year. Students who were not retained, but earned an award, are counted in the award column, even if they transferred during the cohort year. Students who were not retained and did not earn an award, but transferred, are counted in the transfer column.
