LFCC Institutional Benchmark Reports

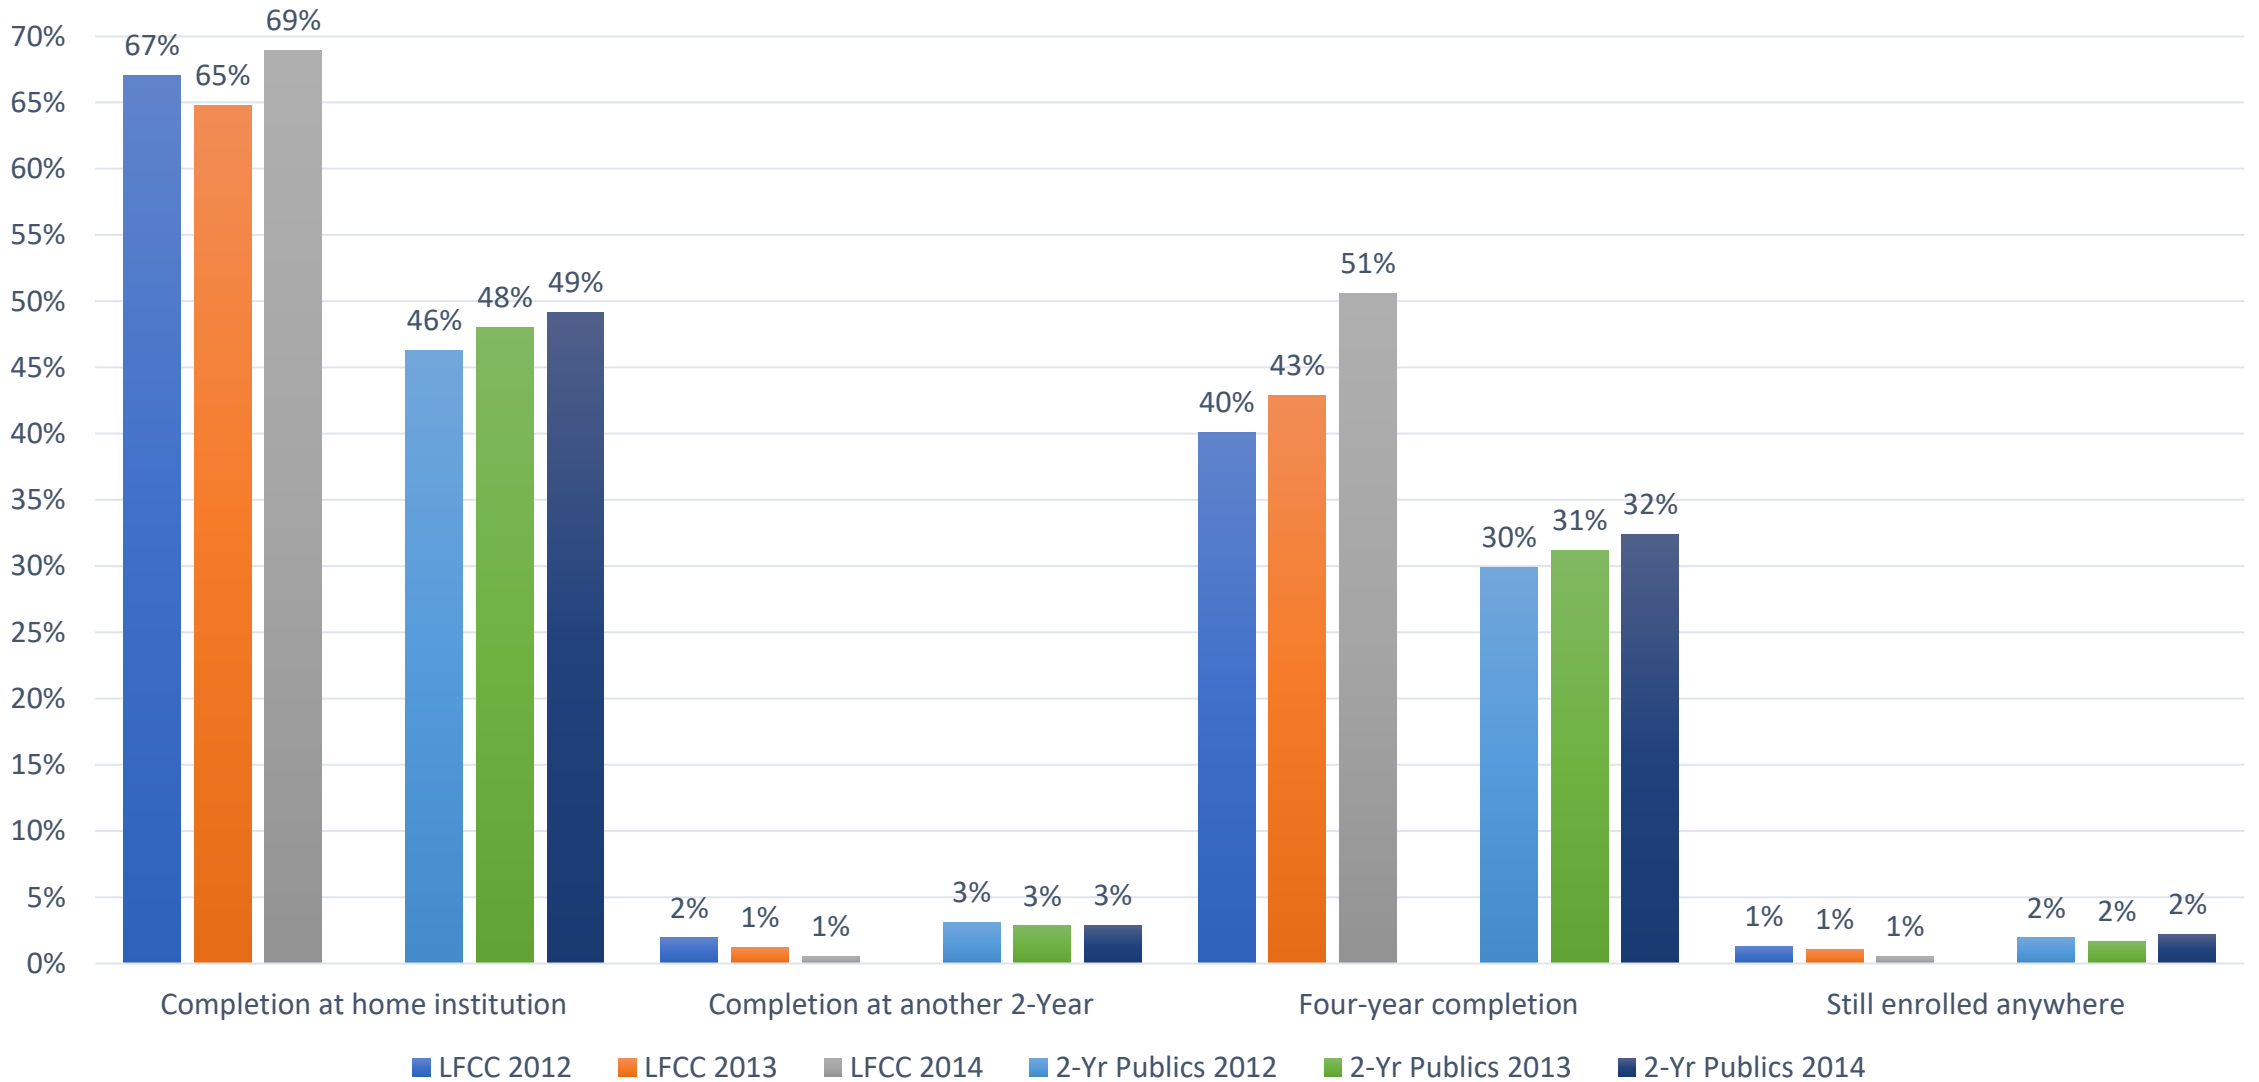

Postsecondary Completions and  
Six-Year Outcomes for  
Fall Cohorts 2012, 2013, and 2014

Note: “Any prior non-dual enrollment, regardless of how far back in the Clearinghouse data that enrollment occurred, were removed from the cohort as non-first time students... Students who were 17 years old or younger during the fall term of the cohort year were excluded from the dataset (i.e. current dual enrollment students).”
