File: Total Calendar Year Wages by Graduation Year and Program - 051722.xlsx

Source: VEC wage data for LFCC provided annually by VCCS. These data do not include military, federal, and self-employment.

Notes: Includes all graduates from 2014-15 through 2019-20 and VEC data from calendar year 2016 through 2021.

Wage data are summed across all employers and quarters for the year by EMPLID.

Program data are reported by program award/plan of graduates at the time of graduation.

Wage data are provided for the years after the year of graduation (i.e. calendar year 2021 for 2019-20 grads).

Report results change over time due to corrections and updates in the VEC data files provided by the VCES.

Program cells with fewer than 5 graduates are not reported per SCHEV and NCES guidelines, but are included in subtotals.
